## PRODUCT INFORMATION:

Derwent Optical Services distributes Arkadius Goggles. Below is just a sample of the range available.

With Arkadius Goggles, your vision benefits from the latest advances in 21st century technology and design. Each pair of Goggles is feather-light and ultra-flexible, made from a revolutionary material: surgical stainless steel with a nickel-free ceramic coating, which is anti-allergic and virtually unbreakable.

This rare combination of high-performance materials with radical design already has huge celebrity following, including Jennifer Lopez, Cate Blanchett, Gwen Stefani, Christina Aguilera, Brad Pitt and Justin Timberlake.

**TO ORDER:**

Arkadius Goggles comes in a range of 12 different pieces  
each in 3 colours:

- 1a Black
- 2a Copper Gold
- 3a Matt Silver
